

International Internship Program between Seoul YMCA and Nan Kai University of Technology

Purpose

To nurture global leadership for our future leadership, students will be provided with an opportunity to experience YMCA movement in Korea and to broaden culture awareness. .

Period

July 1 to August 29 (4-8 weeks)

Venue

Department, centers and campsites of the Seoul YMCA

Target

University students from Nan Kai University of Technology

Work Contents

The students will mainly assist and work with full time staff and domestic volunteers of the Seoul YMCA for various areas of services including sports, child care, youth development, citizen's right protection, welfare, international affairs etc. They will work 5 or 6 days a week and 7or 8 hours a day depending on work places.

- **Planning:**
Assist in planning and conducting various camping programs for children and youth.
- **Assistant instructor (sports):**
Assist the full time staffs in various sports classes for children including swimming, in-line skate, gymnastics etc.
- **Administration:**

Learn office procedures and how to use office equipment by assisting full time staffs of the Seoul YMCA.

- Child care:

Assist teachers of kindergartens to provide them with global environment using English.

- Guidance for campers and facilities users:

Help campers and facilities users of the campsites and centers.

Accommodation and cost

Seoul YMCA will provide the students with food and accommodation during their staying for this program. Depending on the condition of jobs, we may offer allowances for the students. However, the students have to be responsible for their application fee, international airfare and insurance.

Termination

This MOU will be terminated if any circumstances happen to each party and this internship program can't be kept going on.
